

Te Aro School Prospective New Entrants 2012 and beyond

August 2011

Dear Parents and Caregivers

As part of Te Aro School's Strategic Planning for future needs and roll growth at our school, we are interested in knowing of any children in our area who may come to Te Aro School for their primary education.

We need to know the names and dates of birth of those children who will be turning 5 in the next three years.

We would appreciate these details by Friday 15 November to enable us to provide the Ministry of Education with our predicted roll numbers and to plan for our classes for 2012.

Please complete the form below and return to the school office.

Thank you for your co-operation.
